Subject: Clarification regarding break-up of Paid-up Share Capital of the Company in MGT 7 for the financial year ended March 31, 2025.

Dear Sir/Madam,

We are submitting this letter to provide clarification with respect to the details of breakup of paid-up share capital reported in Point IV(i)(d) of the e-form MGT-7 filed by the Company for the financial year ended March 31, 2025.

1. At the beginning of the financial year, the face value and paid-up value of the Company's equity shares stood at ₹10 per share. During the financial year, the Company undertook a corporate action involving sub-division (split) of equity shares, with the record date being July 5, 2024. Pursuant to this sub-division, the face value of the equity shares was reduced from ₹10 to ₹1 per share.

Accordingly, the details reported under the columns "Total Nominal Value" and "Total Paid-up Value" have been computed based on revised face value of ₹1 per share, being the face value applicable at the end of the financial year. If the face value prevailing at the beginning of the year, i.e., ₹10 per share, were to be considered, the figures reflected in the table would not reconcile.

Therefore, the total nominal amount and total paid-up amount reported in Form MGT-7 have been calculated considering the face value of ₹1 per share. The figures highlighted in the table are accordingly based on the revised face value of ₹1 per share and not ₹10 per share.

2. Kindly note that the Company had allotted 65,85,000 warrants on 29th December 2022, which were converted into equity shares in five tranches.

The conversion, allotment, and listing of three tranches aggregating to 60,00,000 equity shares were completed prior to 31st March 2024. The fourth tranche comprising 2,92,500 equity shares was converted and allotted on 3rd April 2024, and the said shares were listed on the Stock Exchange on 19th June 2024. The fifth and final tranche comprising 2,92,500 equity shares was converted into equity shares and allotted on 26th June 2024, and the shares were listed on the Stock Exchange on 4th September 2024.

VERTOZ LIMITED 29 MUMBAI CIN: L74120MH2012PLC226823

Subsequent to the allotment of the fifth tranche and prior to its listing, the Company undertook sub-division (split) of equity shares and issue of bonus shares, for which the record date was fixed as 5th July 2024.

Since the conversion of the fifth tranche into equity shares was completed prior to the record date of 5th July 2024, the equity shares arising from such conversion were eligible for both the sub-division of shares and the bonus issue.

Accordingly, upon sub-division of equity shares whereby the face value was reduced from ₹10 to ₹1, the original 2,92,500 equity shares were sub-divided into 29,25,000 equity shares. Further, pursuant to the bonus issue in the ratio of 1:1, an additional 29,25,000 equity shares were allotted.

Thus, the total equity shares arising pursuant to the aforesaid conversion, sub-division, and bonus issue aggregated to 58,50,000 equity shares. And hence, 58,50,000 shares were listed on 04th September 2025.
Calculation: 2,92,500 × 10 (split factor) × 2 (bonus factor) = 58,50,000 equity shares

We request your good office to kindly take the same on your records. We shall be pleased to provide any information or explanation as may be required.
